Scheduling Policy	<p>Families will be required to schedule a minimum of eight sessions per month, per child. The month of August 2023 will be the only exception to this as there are only 13 days that care is available. For August 2023, families will be required to schedule a minimum of 4 sessions, per child.</p> <p>Families that are not able to meet this scheduling requirement will forfeit their spot in SAE. Refunds will not be issued for any unused sessions. Re-registration in the program will be based on space availability and will require a registration fee. We will be monitoring this policy to be able to evaluate how it impacts registration and the needs of families</p>

Tuition Payments	Families will pay for care online via the SchoolCare Works (SCW) parent portal at the time care is scheduled. If online payments are not an option, contact the SAE Site Director prior to scheduling care
Snacks	SAE will provide an afternoon snack each day. On full days families must provide a sack lunch for their child and SAE will provide a morning and afternoon snack
